## WELCOME TO AST

The American School of Tegucigalpa offers three different diplomas: the Honduran Bachillerato, the High School Diploma and the International Baccalaureate Diploma. AST has been a Cognia accredited school since 1962, reinforcing our great standards and quality education. The Honduran Ministry of Education grants the national degree of Bachillerato to students who comply with additional credits and 160 hours of community service. The school year consists of 182 days divided into 2 semesters. The first semester begins in August and the second semester in January. Grades are issued quarterly. The school day begins at 7:30 a.m. and ends at 2:30 p.m.

## VISION

To be the premier educational institution in the region that prepares environmentally and socially responsible leaders, innovators and lifelong learners.

## MISSION

The American School is a student-centered, college preparatory institution fostering globally responsible citizens and leaders offering a comprehensive, rigorous, international education promoting core values in a safe, innovative, and collaborative environment.

## ACADEMIC PROGRAM

Most students of the senior class were enrolled in all three diplomas and/or certificates offered: the Honduran Bachillerato, High School and the International Baccalaureate Diploma. IB Certificates are earned by students who choose to take up to five IB courses. AST uses the Bridge U platform to support our students' career pathways and application process. Parchment service is used for reporting official documents to universities not listed in the common application.

## CO-CURRICULAR OFFERINGS

AST has an extensive co-curricular program for high school students, based around clubs. Sports are offered in Junior Varsity and Varsity athletic teams that have the opportunity for competition and formative sports program in Track & Field, Basketball, Soccer and Volleyball during entire school year and summer as co-curricular activity. Students collaborate in fundraising activities to sponsor 12 community service organizations. Our students join clubs that are linked to international conferences and tournaments as Honors Band, Model United Nations (MUN), National Honor Society, Robotics, Operation Smile, TedEd Club, Global Issues Network (GIN), Global Vision International (GVI), STEAM and Knowledge Bowl.

## GRADUATION SERVICE REQUIREMENTS

A Service Learning requirement serves to instill all Bachillerato students with a sense of community and understanding of our responsibilities as global citizens. Service experiences should be meaningful, authentic and provide opportunities for learning. Students document their ongoing commitment to service with reflections posted in the CAS portfolio, and a final thesis for the Honduran Ministry of Education.
